**Budgetary support to power generation sector**

1000. DR. NAUNIHAL SINGH : Will the Minister of POWER be pleased to state :

• (a) whether budgetary support granted to the power generation sector will attract a huge flow of investment from the private sector, if so, what are the details thereof ;

(b) whether Government feel that concessions given to the power sector are inadequate to attract further large funds ; and

(c) if so, what steps Government have taken to fill the requirements of the power sector ?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRI P. V. RANGAYYA NAIDU) : (a) Private sector participation in electricity generation, supply and distribution is being encouraged to bring in additionality of resources into the power sector.

(b) and (c) Government has offered a package of incentives and conces ons to attract private sector participation in power sector, which has resulted in 41 intendments for investment, so far.

**Commercial viability of National Power Grid**

1001. DR. NAUNIHAL SINGH : Will the Minister of POWER be pleased to slate :

(a) whether the National Power Grid has become a reality if so, the details thereof; and

(b) whether it is a fact that the con cept of National Grid which had been

conce ved decades ago could not become commercially operational because a synchronus operation of two AC systems was not possible ?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRI P. V. RANGAYYA NAIDU) : (a) and (b) The National Power Grid is in the process of development with the continued augmentation of Extra High Voltage lines and creation (strengthening of the Inter-State and Inter-Reg'onal transmission Links and load despatch facilities. With the setting up of Power Grid Corporation of India Limited in October, 1989 the realisation of national grid will be accelerated. Suitable AC|HVDQ interregional links are being set up alongwith control facilities to progressively realise a fully integrated National grid.

**Power-proposal pending for clearance inAndhra Pradesh**

1002. DR. YELAMANCHILI SIVA : Will the Minister of POWER be pleased to state :

(a) whether there are any proposals for power-plants in Andhra Pradesh pend-I ing for clearance;

(b) if so, the details thereof; and

(c) what is the stage of their onsi-deration ?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRI P. V. RANGAYYA NAIDU) : (a) to (c) The following proposals for power plants in Andhra Pradesh are amongst the projects being examined for techno- economic clearance in Central Electricity Authority :—

| Sl. No. | Name of the Project | Capacity (MW) | Remarks |
|---|---|---|---|
| 1. | Jegurupadu Gas Based Comb. Cycle plant by M/s. GVK Industries, Hyderabad (T) | 172 | Proposal was, earlier cleared in principle by CEA on 14-3-1991 in State Sector. Revised scheme for 172 MW capacity in the Pvt. Sector received from M/s. GVK Industries as a Generating Company was examined in CEA and found acceptable in principle. |
| 2. | Godavari GTCC (T) (Pvt. Sector)-- M/s. Spectrum Power Generator Ltd. (SPGL) | 198 | Originally scheme was cleared for 400 MW capacity on 25-7-1990 for execution by NTPC. However, revised scheme for 198 MW for execution in Pvt. Sector has been received in CEA on 1/93. In principle clearance conveyed to SPGL, NTPC, APSEB and A.P. Govt. on 7-4-1993. |
| 3. | Rayalaseema TPS Stage-II at Muddanur (T) | 2 × 210--420 | Water availability from Centre, Env. clearance from Centre, State, trans. system, ash management plan are not confirmed. |
